

Wax Cube One

Date
1996

Primary Maker
Ronald Davis

Medium
encaustic on wood

Description
The subject matter is a cube; a three-dimensional solid object bounded by six square faces, facets or sides, with three meeting at each vertex. The upper visible side is deep lavender; the right surface is black and the left surface is a moss green. The work is a geometric abstraction, expertly executed.

Dimensions
18 5/8"H x 18 1/8"W
