

H 4 1/4"x W 4 1/4"

Upright Dodecagon

Date
2008

Primary Maker
Ronald Davis

Medium
Tile with gicle decal

Description
The subject matter is a fired ceramic tile of a dodecagon; any polygon with 12 sides and 12 angles. The inner band of the dodecagon is composed of blue, teal and green bands. The visible outer and inner rim of the dodecagon is in bands of red and green. The dodecagon is reflected on a red (left) and green (right) flat surface. The upper background is deep red (left) and deep green (right).
