

Watching a Winter Dance

Date

1971

Primary Maker

Gene Kloss

Medium

Etching and drypoint

Description

A young mother, wearing a cloak and robes sits proudly with her children, holding a baby in one arm and embracing a small child with her other; an older child sits at her feet. All are swaddled in blankets and the children are relaxed in the presence of their mother. The background, a neutral and darker tone, frames the scene with a gnarled tree trunk that leans to the left, enshrining the family.

Dimensions

12 x 9 in. (30.5 x 22.9 cm) sheet: 17 1/2 x 13 in. (44.5 x 33 cm)
