

The Covered Wagon.. Arizona

Date

n.d.

Primary Maker

Albert Lorey Groll

Medium

Drypoint and etching

Description

The trail of the covered wagon bisects this etching stretching from left into the distant right. The tracks cut across a rough rocky barren landscape. On the left high bluffs are visible. The sky is filled with billowing clouds. Western in spatial tone and realistic quality, this etching demonstrates the vastness of the environment. There is mastery of detail in the foreground. - Judith Kendall, I.S.A., AM
