

#2. Mountains at Llano

Date

1922

Primary Maker

Ralph M. Pearson

Medium

Etching and drypoint on creme laid paper

Description

The Llano valley undulates across the forefront of the print. A horno and adobe are visible in the far mid-right. The mountains sweep above the valley suggesting a pastoral, quiet scene. The etching is meticulous in its shadowing and the valley detail emphasizes Pearson's mastery of his medium. - Judith Kendall, I.S.A., AM
