

## Untitled Earthenware with Stand

**Date**

1990

**Primary Maker**

Rick Dillingham

**Medium**

Ceramic earthenware

**Description**

Slab construction broken and reassembled three-part 'shard' ceramic form, each section registered with the other in form and design. Coloration is light beige on one side with the opposite in reddish earthen tones. Mark are specific and complement the mosaic of the whole of both surfaces, glazed and lustered. The sections are joined visibly with rough outer edges.

**Dimensions**

13 3/4 x 15 1/4 in. (34.9 x 38.7 cm)
