

Eve of the Green Corn Ceremony

Date

1934

Primary Maker

Gene Kloss

Medium

Drypoint and aquatint

Description

Small figures stand in dark shadows at the Kiva, ladder raised to the sky and a lone figure standing on the top. To the side, at a distance, are figures and adobes with light filled interiors. Predominately dark throughout, the kiva, illuminated from the right, has a distinctive presence in the dark night.
