Medium
mixed media on watercolor paper

Description
This collage abstraction is part of the Fraction Series created from 1996 to 2000 and consisting of over 10,000 images. The images are made from recycled works. Earlier collages were laminated together under heat and vacuum creating spontaneous images through the chemistry of the components. A 1.5” metallic pink

square is set inside a 3.75” dark purple outer square. At the bottom mid section green, lavender and brown bands flow out from the inner square.
