

Basic Detail Report

Mine Shaft

Date

1988

Primary Maker

Larry Bell

Medium

mixed media on grey canvas

Description

The painting is composed of laminate strips and metallic materials fused onto a grey canvas. At the lower left of the abstract painting are strips of blue painted with acrylic. Otherwise the work is of grey and white undulating forms. On the bottom right are several black block strips. The work is spontaneous, improvisational. A shaft like white grey form is at the upper left sliced by two sharply angled diagonal forms.

Dimensions

43 x 78 in.
