

Pink Ladies (USF 197)

Date

1974

Primary Maker

Larry Bell

Medium

serigraph of photograph

Description

Emanating at lower left is a female nude upper torso, and frontal view of her face surrounded by long black hair. From her forehead an elongated torso, face and hair ascend. The background surface is a flocked pink; the skin tones are a nude color. hair and facial features are black. The top edge of the print is black. It is as though one is before a "Funhouse Mirror." The work is a serigraph of a photograph. The edition is 60.
