seriagraph

Description

Huzo Lumnst is one of deCointet's pseudonyms. DeCointet's works are texts broken down into their visual components. Emphasizing a life-long fascination with cryptography, this serigraph is the title for the first theatrical piece by Guy de Cointet. The lettering is in red and not decipherable in English or French. This is the title image, followed by a series of twelve serigraphs all numbered 27/50, They were printed at Atelier Laage at Ramatuelle, France in September 1973. There are two groupings of red lettering in this image.
