

Crestone Needles, Colorado

Date
2003

Primary Maker
John DePuy

Medium
Oil on canvas

Description

The expressionist abstract painting is landscape influenced. The bottom two-thirds is painted deep lavender. A white line forms the horizon at the upper fourth of the work. Above that are pale lavender hills, the "Needles" are capped with an orange band. The sky is pink. The land is without spatial time; nature is contradicted.
