Description

In this Ken Price erotica print two females, one, on the left, dark skinned are sitting on either side of a male lying on top of a bed. They are kissing each other while caressing the male's penis. This view is seen through the large window along the side of a house. The purple curtains are open enough to view the scene on the

bed. The male's head is also visible. It is night. The sky is a deep teal.
