

## Red House on the Middle Road

**Date**  
1991

**Primary Maker**  
Patricia Sanford

**Medium**  
watercolor

**Description**  
The subject matter is a realistic watercolor landscape. The rutted brown dirt road is at the lower right and recedes into the mid right section of the painting. At the left side of the road are small chamisa and sage bushes. A red roofed is at mid left. The Taos Mountain behind is a deep purple riddled with patches of white snow. The sky is cloud filled with a purple slice across its upper mid section.

**Dimensions**  
20 1/8" H x 28 3/4" W
