

## untitled

### Date

1987

### Primary Maker

Gregory Vose

### Medium

Black Marble

### Description

On top of an irregularly shaped 3" base rests a mottled carved bulb shape. Emerging from this for is an angular deep ebony form. The top of the form is a triangular shape with five deeply notched edges on one side. The abstract work is angular, not static and expertly carved.

### Dimensions

13 7/8"H x 2 15/16" W x 2 5/16"
