## Bird and Antherium

**Date**

1984

**Primary Maker**

Ed Morgan

**Medium**

embossed print

**Description**

A small bird is etched in the lower right. Etched antherium leaves climb along the right side of the handmade paper. To the left is an

antherium blossom with a leaf above. The work is ivory colored, the engraved portions darker than the paper.

**Dimensions**

6" H x 9 1/4"W
