

## Untitled

### Date

1993

### Primary Maker

Michelle Cooke

### Medium

Oil on canvas

### Description

The majority of the surface of this abstract landscape is in shades of green. The upper portion of the canvas is a blue-green, darker toward the center and into a softer, lime color on the bottom.

There are shaded dark patches at the bottom center and on the right. Across the mid section are white tree-like forms. The surface is blurred, tonal.

### Dimensions

22" H x 22" W
