

## Untitled

### Date

1999

### Primary Maker

Michelle Cooke

### Medium

pencil and collage

### Description

Three graphite drawings are collaged together. The inner abstract drawings are shadow patches. The outer drawing has four interlocking lines spreading out from the bottom to the top of the paper, like branches. An excellent draughtsman, Cooke's work is sparse, calm and powerful.

### Dimensions

18" H x 7 3/4" W
