

Spoon

Date
c. 1998

Primary Maker
Brian Anderson

Medium
forged iron

Description
The work of a master craftsman, the mouth of this forged iron spoon is a long oval shape. The handle has an original indigenous design, referencing ancient cultures and times. The tip of the spoon's handle is a raven's head. The metal is a deep gray.

Dimensions
5/16"H x 6 3/8" W x 1 11/16" D
