

Basic Detail Report

untitled

Date

1997

Primary Maker

Kevin Cannon

Medium

painted and dyed leather

Description

Part of a series with the theme of "Folds" begun in the late '90's. this chocolate colored work is a graceful deftly executed work created from a single sheet of leather. There are no creases, only undulating folds that lightly balance on a surface. Soft and

evocative the work defies the sensibility one associates with leather.

Dimensions

16" H x 30" W x 16 1/2 " D
